

WONDER POINTS

1. What is the Wonder Points System?

Wonder Points is YWP's way of recognising and rewarding the effort you put in. Every time you show up, engage, complete tasks, or go above and beyond, you earn points, and those points matter.

This system exists because we believe that real contribution should be visible. It gives you a record of your work, and it gives the organisation a fair, data-backed way to track performance.

2. Why Does This Matter for You?

- Certificate of Completion - Reach the minimum threshold during your 6-month tenure to be eligible to receive a certificate of completion.
- Merch Rewards - Every point above the minimum can be redeemed for YWP merchandise at the rate of 1 point = ₹1.
- Performance Evaluation - Points are used as a metric when assessing your contribution during reviews.
- Role & Compensation - If you're applying for a higher role or a compensation increase, your points record will be considered.
- Recruitment Advantage - When internal or alumni candidates apply for future YWP roles, your points history helps the leadership understand your work ethic and reliability.
- Letter of Recommendation - When department heads write LORs, your points give them concrete evidence of your engagement, initiative, and consistency.

3. How Are Points Earned?

Points are tracked by your Department Head and the HR team. Here is a full breakdown of every activity and its point value:

Metric	Points
Attending a weekly meeting	3
Engaging in a group activity	3
Social Media Engagement (commenting & reposting YWP's posts)	2
Taking initiative	2

Attending an offline meeting	20
Completing tasks	Varies*
Attending an All-of-YWP meeting	5/4/3/2/1**

* Task points are decided by your Department Head based on the nature and complexity of the task.

** Your All-YWP meeting points depend on how actively you participate:

1. 5 pts - Present throughout + camera on + interactive
2. 4 pts - Present throughout + interactive, camera off
3. 3 pts - Present throughout + camera on, less interactive
4. 2 pts - Present throughout, camera off, not interactive
5. 1 pt - Present for at least half the meeting, camera off, not interactive

4. Certificate Eligibility

To be eligible to receive your certificate of completion, you must earn the minimum points as mentioned below within your tenure.

Members - Minimum **150 points**

Heads - Minimum **200 points**

5. Merch Redemption - Spend Your Points!

Any points you earn above the certificate threshold can be redeemed as YWP merchandise.

1 Wonder Point = ₹1

6. How Is Tracking Done?

- Points are updated by your Department Head and the assigned HR team member.
- You do not need to track or enter points yourself.
- You can view your points at any time, but only the HR team and Department Heads can edit them.
- Points will be updated weekly for meetings and tasks, and more frequently for social media engagement.
- All-YWP meeting attendance is tracked live during the meeting itself.

Please note that this system is not about surveillance or pressure. It is about giving us and everyone, including you, a clear, honest picture of the work being done. We want your growth to be visible and your efforts to be recognised. If you have any concerns, please reach out to the HR team.
